Dear Dr. Newen:

Congratulations on your successful completion of the 2007 Medicare re-inspection accreditation process of the American Association for Accreditation of Ambulatory Surgery Facilities, Inc.

The Statement of Deficiencies generated by the 2007 on-site re-inspection of your facility has been received at the AAAASF office and **no areas of deficiency were found**. Your file has been reviewed and found to meet the Medicare standards of the Association. Your accreditation is valid from 09/21/07 to 09/21/08. Should you fail at any time to continue to meet the standards your accreditation status will no longer be valid.

Thank you for your participation in this important program of excellence. If you have any questions or concerns regarding your certificate or any portion of the accreditation process, please feel free to contact the AAAASF Office.

As of this date, your AAAASF Certificate Order Form has not been received. Please fill out the enclosed form and fax or mail to the AAAASF office as soon as possible. Once again, congratulations.

Sincerely,
